Term One	Leading at the Speed of Trust	
<p>Trust isn't a quality you either have or you don't, it's a learnable skill. Trust is a business driver that always impacts two measurable outcomes: the speed at which work gets accomplished, and the subsequent costs. Teams and organizations that operate with high trust significantly outperform those who do not cultivate trust at the core of their culture. With high trust, communication, creativity, and engagement improve.</p> <p>Outcomes:</p> <ul style="list-style-type: none"><li>▪ Increase the speed at which work gets accomplished while simultaneously decreasing drain on resources.</li><li>▪ Boost team member engagement, energy, and commitment to organisational goals.</li><li>▪ Improve their team's ability to make a positive contribution.</li></ul> <div><div><div> TRUST</div><div>=</div><div> SPEED</div><div> COST</div><div>TRUST TAX</div></div><div><div> TRUST</div><div>=</div><div> SPEED</div><div> COST</div><div>TRUST DIVIDEND</div></div></div>
