

Professional Learning on Request

Customise Your Learning

Quality Professional Learning,
where you need it,
when you need it
and how you need it.

Is there a workshop offered that you would love to attend but the location, dates or structure doesn't quite suit your schedule or school needs?

WAPPA facilitators can;

- » Deliver programs to all regions
- » Deliver programs to suit your specific needs
- » Facilitate a program to your leadership team or whole school
- » Deliver in-school consultancy as required
- » Deliver programs or tasters to networks, chapters or collegiate groups

No matter where you are in WA, WAPPA will come to you.

Call today to find out how WAPPA can customise your learning.
